

You are asked to respond to this survey because you participated in CenUSA Bioenergy Webinar on July 10, 2013. Please take 10 minutes to complete this survey. It is completely voluntary and anonymous. You may skip questions you are not comfortable answering and withdraw from participating at any time. Your responses will not be linked directly to you by name as all data will be combined. Results of the survey will be used to improve bioenergy Extension outreach programs. There is no risk involved in responding to this survey. Thank you for your input.

**1. How much has your understanding of switchgrass rust and leaf spots increased as a result of today's webinar?**

- To no extent
- To some extent
- To a great extent
- To a very great extent

**2. How much has your understanding of the Panicum mosaic disease caused by a virus increased as a result of today's webinar?**

- To no extent
- To some extent
- To a great extent
- To a very great extent
